Gilleleje Spa and Wellness Resort to Be Designed by Danish Top Architects – Plans in Public Hearing

Sunborn Corporation, the developers and owners of Gilleleje Spa and Wellness Resort project, have chosen Friis & Moltke from Århus to be their main architects in this luxurious assignment on Northern Zealand.

Friis & Moltke is a modern architecture studio that has been among the leading Danish architects since the fifties. Friis & Moltke has been the motive force behind a wide range of internationally rewarded architectural projects – always based on holistic thinking and simplicity.

Grontmij | Carl Bro has been chosen to be the main consultant in the project. Grontmij | Carl Bro is one of the largest players in the European building consultancy market, and the leading consultant engineering company in Denmark regarding holiday resorts as well as spa, wellness and swimming pool projects.

The Local Plan process with Gribskov Municipality is running smoothly. The project has been approved by the Planning Commission, and the public hearing process has started on November 20.

Gilleleje Spa and Wellness Resort, planned to open in late 2009, will comprise 200 rooms with a magnificent view to the neighboring golf course and surrounding meadows. The facility will also feature spa services, inside and outside pool facilities, a top-of-the-line fitness centre and restaurants. The resort will as well host an international level conference center with all the required amenities.

Gilleleje, the most picturesque fishing town on Zealand, provides perfect surroundings for the resort. Located only 60 km from Copenhagen, Gilleleje and its surroundings have for decades been a popular recreation area for the entire population of Zealand.

Sunborn Corporation is a private Finnish company. The company operates business in different hospitality related sectors. Sunborn Hotels division has over 30 years of experience in running high standard resort hotels. The Group operates hotels, restaurants and spa resorts in Finland, Germany and England.

Simultaneously with Gilleleje Project, the Group has an on-going project for a 200-suite five-star Grand Luxury yacht hotel in Barcelona.
